DETROIT'S HONEST MAYOR. to is Entered for the Gubernatorial Race to Make a Winner.

m Lerey Independent, May 6, 1860.] The friends of the lign. Hazen S. ogree, the present mayor of the great city of Detroit, have announced his andidacy for the nomination of gov-rmer of Detroit on the republican-cket. Mr. Pingree is a war-horse in he republican ranks, and was elected a his present position in the strongly emodratic city of Detroit by a large ocratic city of Detroit by a large ority, running against the popular ocratic candidate, Jehn Pridgeon. As mayor, the people soon found his merits, for in every centroly, his influence was enrolled in beof the people; his efforts were sted toward relieving them of unmary taxation, and he was always as opposing the encroachments of tiless corporate interests. It is yet to all, that when Detroit's comment of the council sold their votes to the seit fitteet Railway company, by ing ordinances, extending france for thirty years, without a cent to city, which were worth millions ellars to the railway company; be id to the eternal dedit of Hazen ingree, who as mayor, vetoed the Pingree, who as mayor, veteed the presence and thwarted in the but me of the blackest diabolical plots ever senceived to rob and plunder the lax-

conceived to rob and plunder the taxpyers of a great city.

Last fall, with two opponents, Mr.

Pingree was re-elected with 5000 majority, when the facts were fresh before the people. Opposed to Mr. Pingree is John T. Rich, personally a good man, but backed by all the corporate interests in the state, and particularly by a man who has so far fergot his dignity as United States senator, and his duty as chairman of the republican state central committee, as is attempt to dictate to his party who they shall nominate for governor. It is Chairman McMillian's duty to work for republican success, and not champion any man's interests. It is not strange that Chairman McMillen vehemently opposes Pingree's candidacy, for it was Pingree as the honest, fearless mayor of Detroit who vetoed the franchise exof Detroit who vetoed the franchise ex-tending ordinances of the street rail-way company, and Mr. McMillan, one of the stockholders of that mighty cor-peration, was thereby prevented from being enriched at the expense of the taxpayers of the whole city of Detroit. It is because Pingree owns himself, and will not be a subservient tool for any corporation, that the great political boss opposes his nomination. It has

come a war to the death between the people and the politicians, and in such a contest it is always sale to espense the former; the Independent therefore unhesitatingly arrays itself in behalf of the present fearless, incorruptible mayor of the City of the Straits; a con-servative and successful business man, and a patriot who marched under the starry folds of the old flag when his

And the Independent now warms the republican party that if they wish to march again to disaster, let them follow the salvice of politicians, and meet the fate of Jun Turner two years ago.

MARSHMALLOW SOAP 10 Cents Per Cake,

This scap is manufactured by Solon Palmer, New York. It is not made of tailow, but of New York. It is not made of tailow, but of French pemade. These possuades are used in making Paimer's extracts for the handkerchiets. After the oder is washed from them by means of spirits, the residue pemade is manufactured leto soap. Of course the supply of pemade is limited and the output of the seap small; but the quality is the best of any scap in the market, because the pomades are composed of the fluest materials and are used for extracting the oder from the flowers. Each cake weighs five ounces. The suds are free from the alkaline nature so injurious to tender hands and faces. We have had it branded Marshmallow, to distinguish it from Inferio soaps. It cannot be purchased in the dry colds stores, as the trade-mark "Marshma low," by mutual agreement, belongs to Peck Bros., and we decline to sell it at wholesale. Try a bex of the Marshmallow Soap and decide upon its merits. 30c for three cakes.
